HENRY ESSON YOUNG,
Clerk, Executive Council.

The report of the Committee on Amendments to Schedules "A" and "B" of the "Pharmacy Act," appointed by the Council of the British Columbia Pharmaceutical Association at its regular meeting held in the City of Vancouver, November 17th, 1909, and adopted by the Council on the 14th day of June, 1910.

To the President and Council Assembled.

GENTLEMEN,—We, your committee, beg to report as follows:—

We have gone carefully through the Schedules "A" and "B" of the "Pharmacy Act, 1891," and Amendments, 1895, 1904, and 1907, and acting upon the general opinion entertained on the subject, have the honour to submit the following amended Schedules, which we think will meet with the immediate approval of the Lieutenant-Governor in

Council, when submitted according to sec. 17 of the "Pharmacy Act." The work of the committee, as we understood it, was that of rearranging rather than deleting or addition, and save in the placing of Corrosive Sublimate (Antiseptic) Tablets and certain medicines sold largely in pill and syrup form in Schedule "B" under certain conditions, we have proposed no radical changes. We may mention, in explanation, that it appears to us to guard the public health to a greater extent to place the caution "poison" on these articles, with the name and address of the chemist and druggist, as will be necessary by the proposed amended law, than to have them scattered broadcast with no cautionary label whatever, as at the present time. The Schedules as amended are herewith submitted.

JOHN COCHRANE.
J. H. EMERY.

"To the Honourable the Secretary of State of Canada:—

"SIR,—We, the undersigned electors of the City of Chilliwack request you to take notice that we propose presenting the following petition to His Excellency the Governor-General, namely:—

"To His Excellency the Governor-General of Canada in Council:—

"The petition of the electors of the City of Chilliwack, B. "And that we desire that the votes of all the electors of the said city be taken for and against the adoption of the said petition.

"Wherefore your petitioners humbly pray that Your Excellency will be pleased, by an Order in Council under the 109th section of the said Act, to declare that Part II. of the said Act shall be in force and take effect in the said City of Chilliwack.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 3rd October, 1910, that the Canadian Pacific Railway has applied to purchase a tract of 1.59 acres of land for additional sidings at Cedar, in the Glacier Park, B. C.

The Minister recommends, as these lands, which are more particularly described hereunder, are required by the Company in the operation of its line of railway, and as the same have been inspected and found available, that they be withdrawn from the Glacier Park and sold to the Canadian Pacific Railway at the rate of \$10 per acre:—

Composed of all that portion of the North-West Quarter of Section Twenty, in the Twenty-eighth Township in the Twenty-fifth Range, west of the 5th meridian, which may be more particularly described as follows:—

Two strips of land fifty and one-half feet in width parallel with and adjoining the eastern and western limits of the land taken for right-of-way of the Canadian Pacific Railway, as the same is now constructed across said land and lands adjoining the same, and as shown on a plan of said Railway, signed by James F. D. 1895, and of Record in the Department of the Interior as Number 7,950, a duplicate whereof is on file in the Land Registry Office for Victoria, British Columbia, the said strips extending from a line drawn at right angles through the said centre line of the said Railway, at a point distant five

hundred and fifty feet measured southerly along said centre line from the north boundary of the said quarter-section, to a line drawn at right angles through the said centre line at a point distant one thousand two hundred and thirty-five feet measured southerly along said centre line from the said north boundary of the said quarter-section, and containing by admeasurement together one and fifty-nine hundredths (1.59) acres, more or less.

[2,038.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Saturday, the 29th day of October, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 5th October, 1910, with reference to the Order in Council of the 18th April, 1907, authorising the sale to Dr. M. S. Wade, of Kamloops, British Columbia, of certain land in Township 21, Ranges 22 and 23, west of 6th meridian, and set out in the accompanying Schedule marked "A," comprising an aggregate area of 2,705.51 acres; the sale of these lands to be at \$1.00 per acre and upon the following conditions:—

(a.) "The applicant to at once pay into the Department of the Interior the sum of 25 cents per acre."

(b.) "The applicant to furnish the Department of the Interior, prior to 1st August, 1907, with a plan and profiles by an engineer showing the proposed irrigation works, the source of water supply, and the portions of the lands applied for proposed to be irrigated, all to be satisfactory to the Minister of the Interior."

(c.) "The applicant to put into operation his irrigation scheme within three years of the date of the approval of this Minute of Council, and show within that period and to the satisfaction of the Minister of the Interior that he has successfully irrigated not less than 500 acres of the area applied for."

"If, however, the applicant complies with the conditions set out under (a), (b), and (c) and pays into the Department of the Interior upon the successful completion of his irrigation scheme the balance of 75 cents per acre, he, the Minister, recommends that he be authorised to issue patents to the said applicants for the lands set out in the said Schedule 'A.'"

That on the 14th December, 1906, Dr. M. S. Wade applied to the Department of the Interior for certain additional parcels of land, comprising an area of 581 acres, and set out in Schedule marked "B," attached contiguous to the lands set out in Schedule "A" which, he stated, were suitable for irrigation and necessary to complete his project. This application was favourably considered by the Department of the Interior and the amount of 25 cents per acre paid, all subject to the approval of the Governor in Council.

That Dr. M. S. Wade, on the 16th April, 1908, assigned his interests in the irrigation of the lands set out in Schedule "A" to the Barnes Estates, Limited, which Company has bonâ fide carried on and has satisfactorily complied with the first three requirements of the Order in Council, dated 18th April, 1907, above referred to, and is now entitled to patent for all the land set out in Schedule "A" upon the successful extension and completion of the irrigation system to cover all the irrigable area.

The Minister further states that last April an engineer of the Department of the Interior made a report on the development operations to that date of the Barnes Estates, Limited, and he reported that this Company had proceeded with its irrigation project with despatch and credit, that the ditches, canals, flumes, etc., were of a very permanent, substantial and efficient nature, and he recommended that, under the provisions of the Order in Council above referred to, 1,390.6 acres of land

covered at the date of his inspection by the irrigation works then completed should be immediately patented, and that upon the extension of the irrigation works over the remaining land set out in Schedule "A," and subject to a favourable report upon a second inspection, patents should be issued for it. In regard to the additional parcels of land set out in Schedule "B," he reported that these lands were absolutely useless for cultivation without water; that water could only be put on through the irrigation system of the Barnes Estates Limited; and he recommended that as their main canal would cross some of these additional parcels applied for, and as they were all necessary to round out and complete the lands set out in Schedule "A," the Department of the Interior should sell these additional parcels at one dollar per acre upon completion of the entire irrigation project.

The Minister, in view of the excellent bonâ fide work done to date by this Company, and in view of the Departmental Engineer's favourable report, recommends that he be authorised to sell the 581 acres, set out in Schedule "B" hereto attached, to the Barnes Estates Limited, at one dollar per acre, and on the following special conditions:—

(a.) The applicant to proceed with the irrigation project already under way to cover all the irrigable lands set out in Schedule "A" and "B" hereto attached, to the satisfaction of the Minister of the Interior.

(b.) Upon the completion, on or before the 1st October, 1911, of the irrigation system to cover all the remaining irrigable lands in Schedule "A," and also the irrigable portions of the additional lands set out in Schedule "B," the applicant to pay into the Department of the Interior the balance of 75 cents per acre on all the lands, when the remaining unpatented lands in said Schedules "A" and "B" will be patented.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

"COLUMBIA STREET EXTENSION LOCAL IMPROVEMENT DEBENTURE ASSESSMENT BY-LAW, 1910."

No. 65.

A By-law to assess, levy, and collect the Cost of the Construction, as a Work of Local Improvement, of Cement Sidewalks, Retaining Walls, Boulevards, Storm Sewers, Paved Roadway, and Street Lights on Columbia Street, from the east line of Fourth Street to the west line of Leopold Place, and to raise upon Debenture Loan the Necessary Moneys to pay the Cost thereof.

WHEREAS the Municipal Council of the Corporation of the City of New Westminster did, by resolution duly passed on the 26th day of September, 1910, determine and specify that it was desirable to carry out the following works, that is to say:—

To construct cement sidewalks, retaining walls, boulevards, storm sewers, paved roadway, and street lights on Columbia Street, from the east line of Fourth Street to the west line of Leopold Place:

And the said work should be carried out in accordance with the provisions of the "Local Improvement General By-law, 1909":

And whereas the City Engineer, upon receipt of a copy of the said resolution, did under the provisions of the said by-law, ascertain and determine the said works or improvements, and did make and certify as correct a plan thereof, and did make an estimate of the expense or cost thereof, and did ascertain, determine, and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvements:

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified, conjointly ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited, and did make a joint report of all such matters to the said Council, which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said by-law:

And whereas thereafter the City Clerk did cause a notice to be inserted in the *Daily Columbian* and *Daily News*, being newspapers published in the said city, to the effect that the said report, or a

necessary part thereof, was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth:

And whereas within a period of fifteen days from the date of the first publication of such notice no petition being presented against any of the said improvements, the assessment roll showing the property and the amount assessed for the local improvement was duly prepared, and the Clerk did cause a notice to be inserted in the said *Daily Columbian* and *Daily News*, being newspapers published in the said city, to the effect that the said assessment roll was open for inspection at the office of the Assessor:

And whereas no notice of appeal was received against the said improvement:

And whereas the cost of the said works or improvements is shown by the said report to be sixty-seven thousand five hundred (\$67,500) dollars, and the amount to be assessed against the owners of the real property benefited is shown to be forty-seven thousand five hundred (\$47,500) dollars, and the amount which the Council proposes to contribute from the municipality at large to the cost of the said work is twenty thousand (\$20,000) dollars:

And whereas the Council affirmed by resolution that the said work of local improvement benefits the municipality at large, and that it would be inequitable to raise the whole cost of such improvements or works by local special assessment, and proposes to contribute the said amount of \$20,000:

And whereas the Council has decided to distribute

the payment of the said cost of said works proposed to be assessed hereunder over a period of thirty years, and to borrow the money necessary to defray such costs upon the special rates levied hereunder upon the lands and improvements benefited, and upon the guarantee of the Corporation at large:

And whereas the total frontage upon the said work of local improvement of the real property immediately benefited is 2,079 feet, and the cost chargeable to the property benefited is as aforesaid \$47,500:

And whereas it will require the sum of two thousand three hundred and seventy-five (\$2,375) dollars to be raised annually for the period of thirty years to pay the interest of the said debt, and the sum of nine hundred and ninety-eight 08/100 (\$998.08) dollars to be raised annually during the said period for the payment of the debt to be created by this by-law, such last-mentioned sum being sufficient with the estimated interest in the investment thereof to discharge the said debt when the same shall become payable, making in all the sum of three thousand three hundred and seventy-three 08/100 (\$3,373.08) dollars to be raised annually as aforesaid:

Now, therefore, the said Municipal Council of the Corporation of the City of New Westminster, enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report, and which is set forth and described in the Schedule following:—
